To Whom It May Concern,

I am a Graphic Designer certified in Adobe Creative Suite: Photoshop, Illustrator and InDesign. I have a degree in Fine Arts that I believe can be a plus in bringing creative, powerful, visual concepts that can improve and enhance the content for websites and printed marketing materials. I have ability to follow brand guidelines while maintaining fresh and creative design.

I am a friendly individual easily adapting to teams big or small. I have experience in working in busy environments and meeting due dates for completion. I have high attention to detail, I am resilient and curiosity-driven. I am a very organised and self-driven individual who likes to always keep busy.

I would be grateful for the opportunity to showcase my abilities further through an in-person interview. I look forward to elaborating on how my specific skills and abilities will benefit your organisation. Please do not hesitate to contact me by phone or email.

Sincerely,
Paula Iaciu.
